

MIOT, Seychelles government sign MoU to train docs, students

DC CORRESPONDENT
CHENNAI, FEB. 12

MIOT International and Seychelles will work together in training doctors and students, according to an MoU signed by them, said Mr Rolan Dany Antoine Faure, vice-president of Seychelles.

Speaking at the 15th founders' day of MIOT International on Wednesday, Mr Faure said they expected MIOT to partner with their government in opening the first medical university hospital in Seychelles.

He also appreciated the passion and team spirit of the medical experts, adding that they expected to work with MIOT towards Africa's Vision 2063. "We pay tribute to this man who comes from humble origins and a man with vision. He was determined to break the cycle of poverty," said Mr Faure, hon-

Cinematographer Rajiv Menon handing over a cheque for ₹10 lakh to Aruna and Jayendra of Mahesh Memorial Trust at MIOT International's 15th founders day. ouring founder, Dr P.V.A. Mohandas.

Speaking of MIOT's commitment to patient care, Dr Prithvi Mohandas, JMD of MIOT, said everyone who came to the hospital received the same quality of treatment. A cheque for ₹10 lakh, ra-

ised through the hospital's Carewalk initiative, was handed over to P Jayendra and Aruna of Mahesh Memorial Trust for offering free treatment for poor children afflicted with cancer. Chairman of the Hospital, Ms. Mallika Mohandas, spoke.
