6th April 2019 | Retreat Auditorium, MIOT International, Chennai

Dear Doctor,

It is a great honour and privilege to invite you to **MIOT ELECTROCARDIOCON**, an insightful workshop on cardiac-electrophysiology. The purpose of this initiative is to simplify the complexities surrounding cardiac-electrophysiology and make it easy to comprehend, as the subject is often less understood. I am confident that this workshop will immensely benefit MD and DM students.

Eminent experts and leaders in the field of cardiac-electrophysiology have kindly consented to impart their invaluable knowledge at this workshop. With such distinguished minds for company, I am certain that MIOT ELECTROCARDIOCON will be an event of enlightenment.

I look forward to your active participation on this great day of learning.

With warm regards,

Dr. Prithvi Mohandas,
Managing Director, MIOT International
