Indo-German Orthopaedic Foundation

Dear Colleague,

Greetings from **Indo German Orthopaedic Foundation!**

In the year 1992, two AO stalwarts Prof. Siegfried Weller and Prof. Dr. P.V.A. Mohandas decided that their mutual respect, admiration and professional academic exchange should be formalised. They wanted it to benefit young orthopaedic surgeons the world over. Thus was born the Indo German Orthopaedic Foundation in 1992.

We have conducted over 100 symposia and offered fellowships to over 200 upcoming orthopaedic surgeons over the last 30 years.

COVID-19 has seen the orthopaedic community renew protocols, techniques and procedures to promote safety as well as outcomes.

I invite you to an academic and cultural feast in the city of Chennai on 24th & 25th June 2022.

Debates, Discussions and Live Surgery will revolve around Trauma and Spine Surgery.

I hope to welcome you in person to Chennai the Healthcare Capital of India.

With very best regards

Yours Sincerely

Dr. Prithvi Mohandas
Secretary, IGOF

Date: **24th & 25th June 2022**

Venue: **Retreat Auditorium, MIOT International, Chennai, India**
